Subject - Entertainment of temporary establishment required for the construction of the First Floor to the City Market

---

1 There is no provision in the original estimate under the sub head 'work charged establishment'

2 Since no temporary staff could be employed under work charged establishment for want of provision, the Head Cooly and Watchman now employed are charged to the Sub head 'Contingencies' These are not therefore an additional staff The staff is required to assist the Suboverseer on the work

3 Provision under 'contingencies' is utilised now as amount for payment to temporary staff could only be under this sub head in the estimate Provision will be made for this amount under 'work charged establishment' in the revised estimate and the payment regularised later

4 The temporary staff is required for one year i e , during 1947-48
